GROVE CITY SERVICE ABOVE SELF AWARD

2023 Nomination Form

Making a difference

2023 Grove City Service Above Self Award

Nomination Form

Each Year, a Grove City retired or deceased resident who brought honor and recognition to our community is selected for our Service Above Self Award, with a plaque installed in our Grove City Town Center. Its purpose is to honor the Life's Work of a Grove City resident who has contributed greatly to our city, state, or nation through Service Above Self.

The Honoree has a bronze plaque dedicated in his/her honor with their picture bust and definition of their life work. Applications are made available each year at the City Hall of Grove City, the Grove City library, and on Social Media. The nominee must have lived in Grove City, retired from their primary career, over the age of 65-years old, not holding a political or elected office, or deceased (a terminal illness late in a person's career would gain special consideration). The nominee must meet one or more of the following requirements:

Outstanding "Service Above Self" in: Education/Literacy, Environmental, Local Community Growth, Fighting Disease, Saving Mothers and Children, Water Conservation, or Promoting Peace.

If you know of a suitable candidate for inclusion of the Grove City "Service Above Self" award,
Please complete this nomination form and return to the Grove City Rotary Club

by Monday, April 3rd, 2023
